OUT-OF-NETWORK (OON) PROVIDER PAYMENT OPTIONS

TreSource

Payment Type

Insurance

Helpful Tip:
Verification of the clients benefits will determine if their plan covers OON ABA service providers

Private Pay

Helpful Tip:
Private pay clients who are uninsured or not using their benefit must be given a Good Faith Estimate

Superbill

Helpful Tip:

Provider Verifies

Helpful Tip:
Obtain verification of OON benefits but avoid further correspondence regarding rates or single-case agreement

Client Verifies

Helpful Tip:
Provide the client with a script for the information they should gather from their insurer to verify their benefits

Insurance Billing & Payments

Helpful Tip:
Using an insurers billing platform can be a cost-effective way to submit claims and receive payments

Billing & Payments

Helpful Tip:
Setup a consistent system and process for billing clients, including how you'll respond if a client fails to pay
